Country Inn & Suites By Carlson in Gettysburg has been awarded the 2003 Gold Standard and the 2003 Presidential Award at the Regional Business Meeting held in Baltimore, MD on August 18, 2003. This hotel also achieved a 99% return rating from their guests' scores tabulated from the hotel's comment cards.

These awards exemplify excellence in hospitality and service. This is the first time this property has received these honors. The Country Inn & Suites by Carlson in Gettysburg opened in May 2001.

"We are thrilled to have achieved this high honor," said John Delozier, General Manager. "We strive to provide the best service possible to our customers and these awards represent our efforts."

Country Inns & Suites locations feature traditional architecture and sophisticated residential interior design with hardwood flooring and decorative ceiling borders. Each hotel welcomes guests with traditional furnishings that blend rich woods and elegant floral-patterned fabrics. The hotel offers many amenities often found at higher-priced hotels such as complimentary breakfast, in-room coffee maker, in-room iron and ironing board, and weekday morning newspaper. Country Inns & Suites is known for its consistently high quality accommodations and personal, warm hospitality.

The brand has over 300 locations worldwide. For reservations and information, call toll-free 800-456-4000 or visit.
